

## Extension Tomato Pests and Diseases Workshop

The Bibb County Extension Office and the Brent-Centreville Public Library are hosting a Tomato Pests and Disease Lunch-and-Learn workshop at the Brent-Centreville Public Library on Thursday, June 29, 2017 from 11:30 a.m. – 12:15 p.m.

This program is for anyone that wants to learn how to identify tomato problems and manage the problems/pests.

Nelson Wynn, Regional Extension Agent serving Bibb County in Home Grounds, Gardens and Home Pests, will cover diseases, fungus, blights, tomato wilt, and herbicide injury.

The workshop will take place in conference room in the basement of the Library, which is located at the corner of Library Street and Walnut Street in Centreville, between McDonald's and the National Guard Armory.

There is no charge to attend the program, but please call the Bibb County Extension Office to pre-register at 205-926-4310.

The Alabama Cooperative Extension System (Alabama A&M University and Auburn University), is an equal opportunity educator and employer. Everyone is welcome!
