More than 7,300 veterans live in St. Clair County, and the majority is not receiving all of the benefits available. The goal of the St. Clair County Veterans Outreach is to meet the veterans in St. Clair County and inform them of the benefits they are eligible for.

- Federal Veterans Affairs Disability Compensation
- Post 9/11 GI Bill
- Veterans Home Loan Program
- Mentor program for Veterans Treatment Court
- And many more

As a community team, we will accomplish this through a veteran network. The goal of the St. Clair County Extension office is to facilitate this network.

There are 22 million veterans in America and only 49 percent have received their benefits. Help us find the more than 2,000 veterans in St Clair County who have not received their benefits.

Thank you for your service.

Alabama Cooperative Extension System

The Alabama Cooperative Extension System is the primary outreach organization for the land-grant mission of Alabama A&M University and Auburn University. ACES works with individuals, groups, and agencies, initiating and facilitating partnerships and helping people help themselves to a better life and livelihood.
